

I finally heard back from the Federal Register Office and I have final comments. I plan to revise my documents based on the comments and send the package out on Monday. My regulations manager is out this week and will be back on Monday. Hopefully this package will be processed quickly and we can start the rule making process to give Class VI primacy to North Dakota.

Thanks for your help and patience,

Happy New Year!

Lisa

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced

into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
